Auction Fees and Commission- The consignment fee per horse in the *Preferred Session* is \$400 (plus any fees). This fee will be non-refundable once horse is accepted. An 8% commission will be charged on all horses sold. There will not be an additional no-sale fee on horses not sold in addition to the catalog fee. If a horse is pulled from the sale (scratched) there will be a no-sale fee of \$1,000 in addition to the catalog fee. In order to waive the \$1,000 scratch fee and retrieve registration papers, owner must provide Ocala Horse Sale with a vet release explaining why the horse cannot sell along with photos/videos of injury or sickness.

Animals that are rejected by the buyer because they are misrepresented at any time by the consignor will be charged full consignment fees and 8% sale commission. In case of a dispute between buyer and seller, the auction company will make the final judgment. The consignor agrees to adhere to the judgment of Ocala Horse Sale and hold the auction company harmless of any and all claims.

Consignor's Checks- All consignors' checks will be written within 2 days of sale date and made payable to owner listed, then mailed, unless a dispute has been brought to the attention of the sale company. In that case, RC Auction Co. reserves the right to hold the funds in their Federally regulated "Shippers Proceeds" account until such time as a resolution can be agreed upon.

Consignor's Guarantee- The buyer is responsible for examining horses carefully prior to bidding. All horses consigned have undergone rigorous prequalifying prior to the sale as well as providing a pre purchase exam. All horses are sold sound, that at the time of inspection the horse was sound of limb, wind, and eye unless other announcements are made at the time of sale from the auction block. This soundness guarantee is between buyer and seller only and does not include any other persons. Unless otherwise stated, all horses will be sold sound until Monday following the sale by 8pm. Shall any soundness disputes arise; Ocala Horse Sale will be the sole deciding judge. In the event it is determined that the defect was present at the time of sale and not announced, the sale of said horse shall be null and void and the consignor will still be required to pay 8% commission. If Ocala Horse Sale determines the horse NOT to have the alleged defect the sale of said horse is valid and enforceable. Purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Ocala Horse Sale is final. Soundness does not guarantee pass of a check by any vet following the sale. Buyers are to ride and visit the horse before the sale giving them the confidence, they need to bid come sale day. If they want additional x-rays, they need to have them completed before the sale at their own expense.

The consignor of each animal represents and warrants to the buyer, include but not limited to the following:
